

How can the CoderDojo Foundation help my Dojo?

Learning resources and guides

Save time and effort by using learning resources created by other Dojos and the CoderDojo Foundation.

<http://dojo.soy/resources>

Ticketing and event management

You can use the CoderDojo website to create and manage tickets for your Dojo, to ensure you're not over-subscribed.

<http://dojo.soy/tickets>

Recognition of Ninjas' achievements

Recognise and reward the achievements of Ninjas at your Dojo with digital badges they can share on their CoderDojo profiles.

<http://dojo.soy/badges>

CoderDojo community online

Share insights and ideas with other Mentors and Champions in live chat (Slack) and on the forums.

<http://dojo.soy/community>

Best practices and insights

The Foundation collects best practices from Dojos around the world that you can adopt at your Dojo.

<http://dojo.soy/best-practice>

Partnerships and give-aways

From time to time the Foundation gets resources, partnerships etc. that your Dojo may be able to benefit from.

<http://dojo.soy/partnerships>

Anything else?

The role of the CoderDojo Foundation is to support the CoderDojo movement. If you need anything else, get in touch!
