CoderDojo

TERM 4 SESSIONS

Starting from the

6th of October

Every **second Thursday**

4:30 pm - 6pm

6th	October
20th	October
3rd	November
17th	November
1st	December
15th	December

CoderDojo
CARLTON

Kathleen Syme Library and Community Centre
251 Faraday St, Carlton VIC 3053

THE GO TO RESOURCES

As the participants vary in age and knowledge there may be a need to group them based on their coding experience. Some ninjas are new to coding whereas others may have already done some basic programming exercises. Based on these, please choose appropriate activities from the list below to use on the day or come up with something new :)

BASICS

https://scratch.mit.edu/
http://www.scratchjr.org/learn.html
http://www.alice.org/index.php
https://blockly-games.appspot.com/maze
https://code.org/learn

HOUR OF CODE:
Lots of different projects to choose from:
https://code.org/learn

MEDIUM

https://goggles.mozilla.org/
https://bitsbox.com/

HOUR OF CODE:
Drawing
https://www.khanacademy.org/computing/hour-of-code/hour-of-drawing-code/v/welcome-hour-of-code
(age 8+)
Making webpages intro
https://www.khanacademy.org/computing/hour-of-code/hour-of-html/v/making-webpages-intro (age 8+)

ADVANCED
